## Facebook & Online Food Ordering

---

### TAKE ORDERS RIGHT FROM YOUR FACEBOOK PAGE

---

Did you know that **Facebook** accounts for over 42% of all social media site visits? Making it **the most popular social network site.**

Why not **capitalize** on this **and have customers order right from your Facebook page.**

- Have unlimited orders and locations
- Take orders straight from Facebook without trading profits
- Have one spot to change your menu and it changes everywhere else
- Receive orders straight to your smart phone
- Increase your sales by letting your customers order while you are closed
- Customize your Facebook order tab
- No monthly fees\* or Hidden costs

**Example:** Go to our Facebook Page (Marshall Technologii) & Click on Marshall Menu.
